

US Army Corps  
of Engineers  
Buffalo District

**General Notes**

The information indicated on the map represents the results of surveys made on the date otherwise noted and can only be considered as indicative of the general condition at that time. Unless otherwise noted, all bearings, distances, elevations, depths and soundings are in feet and referred to the International Great Lakes Datum 1985 (IGLD 1985). All depths and soundings are in feet and referred to North American Datum 1983 (NAD83). See the S-17a Specific Notes area for appropriate details. To view a color version of this map, point a web browser to <http://www.epa.usace.army.mil/navalops/survey/map.html>.
